SUBJECT: SSCI Report Entitled "U.S. Government and
Recent Political Violence in El
Salvador--Agency Section"

1. When the members of the Senate Select Committee on Intelligence (SSCI) staff working group on recent political violence in El Salvador visited San Salvador, Ambassador Pickering requested access to all the classified reports prepared by the Committee staff on the various agencies within the scope of the study. (The Ambassador has already seen the draft Executive Summary/Public Report.)

2. The SSCI working group coordinators agreed to make Ambassador Pickering's request known to the different agencies subject to the investigation. It would be appreciated if the DO would provide OLL with its views with regard to making the CIA report available to Ambassador Pickering.
